

# Brazos Valley Regional TDEM COVID-19 INFUSION CENTER MONOCLONAL ANTIBODY INFUSION CENTER

## COVID Positive/Exposed\* Patients State Sponsored Free COVID-19 Treatment

College Station COVID-19 Infusion Center | 4411 Highway 6, College Station, Texas 77845

If you or someone you know has recently tested positive or been exposed\* to COVID-19 and is high-risk they may be eligible for a FREE Monoclonal Antibody infusion treatment.

The FDA has allowed Emergency Use Authorization (EUA) to high-risk patients for treatment of SARS-COV-2 viral infection. High-risk criteria required for Bamlanivimab/Etesevimab or Casirivimab/Imdevimab infusion is defined as at least one of the listed criteria.

If you believe you have any of the risk factors on the right and have symptom onset within the last 10-days, please call the Brazos Valley Regional TDEM COVID-19 Infusion Center, where you will be screened by a provider for eligibility.

**NO INSURANCE NEEDED**

Open Monday-Saturday 7:00AM-7:00PM

Your physician can fax an order directly to us at 979-731-5229.

If you have been exposed\* to someone with COVID-19, you could potentially qualify for an infusion.

**CALL NOW** if you have more questions about your eligibility for this free treatment

Phone: 979-690-4478
