

FALLS COUNTY WATER RESOURCES GROUP

1st Meeting on June 5th at 10AM
in the Falls County Courtroom

PURPOSE

Local water supplying entities, as well as others in the community will have the opportunity to have their voice heard and provide their knowledge of any consistent issues within their area that are not being met. Regional water authorities will also provide their guidance as members of the WRG and assist in ensuring that local and regional goals mesh together.

We need your input!
Please consider
joining the Falls
County WRG today.
