FALLS COUNTY ANNUAL OPEN ENROLLMENT

SECOND FLOOR, COURTHOUSE

Thursday, August 06, 2026
9:00 AM – 2:00 PM

Falls County will host a one-day event for all full-time employees and elected officials. Attendance is required.

This is the time to meet face-to-face with insurance agents regarding any concerns you may have with your current coverage and/or plan options. Whether or not you choose

to make changes, this event will provide you with any applicable price changes to your current coverage. If you do not attend, your current coverage **will continue**, and your payroll deductions **will be adjusted accordingly** (if relevant) on the 1st day of October, 2026.

No changes will be allowed to your coverage(s) until the next annual event of the Year 2027.

Please stop by for a few minutes and meet with our insurance agents on the 2nd floor - in the county courtroom, the emergency management office, and the hallway.

Complete your annual forms with our agents, and your name will be entered into a drawing to win a prize! The drawings (yes, more than one) will be held later. Please see the County HR Department for more details and/or assistance on open enrollment day!
