

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.76922 per \$100 valuation has been proposed by the governing body of Falls County.

PROPOSED TAX RATE	\$0.76922 per \$100
NO-NEW-REVENUE TAX RATE	\$0.73981 per \$100
VOTER-APPROVAL TAX RATE	\$0.76922 per \$100

The no-new-revenue tax rate is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for Falls County from the same properties in both the 2022 tax year and the 2023 tax year.

The voter-approval rate is the highest tax rate that Falls County may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Falls County is proposing to increase property taxes for the 2023 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 11, 2023 AT 9:00 AM AT Falls County Courthouse County Courtroom.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Falls County is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the of Falls County at their offices or by attending the public hearing mentioned above.
